ORDER

This case is before the Court on the defendant's Unopposed Motion to Continue Trial (Doc. # 27). The criminal case is currently set for trial during the October 16, 2006 term. For the reasons set forth below, the Court finds that the trial should be continued pursuant to 18 U.S.C. § 3161(h).

While the grant of a continuance is left to the sound discretion of the trial judge, *United States v. Stitzer*, 785 F.2d 1506, 1516 (11th Cir. 1986), the Court is limited by the requirements of the Speedy Trial Act, 18 U.S.C. § 3161. The Act provides in part:

In any case in which a plea of not guilty is entered, the trial of a defendant charged in an information or indictment with the commission of an offense shall commence within seventy days from the filing date (and making public) of the information or indictment, or from the date the defendant has appeared before a judicial officer of the court in which such charge is pending, whichever date last occurs.

18 U.S.C. § 3161(c)(1). However, the Act excludes from the 70 day period any continuance based on "findings that the ends of justice served by taking such action outweigh the best interest of the public and the defendant in a speedy trial." § 3161(h)(8)(A).

The Court finds that the ends of justice served by continuing this trial outweigh the best interest of the public and Mr. Pennic in a speedy trial. In support of his Motion to Continue Trial, Mr. Pennic represented that counsel had recently obtained numerous documents of evidentiary value

from the estate of Mr. Pennic's former counsel, and thus more time was required to review these documents and conduct further investigation. The government does not oppose a continuance, and Mr. Pennic has filed an affidavit waiving his Speedy Trial Act rights.

Accordingly, it is ORDERED that the defendant's Unopposed Motion to Continue Trial (Doc. # 27) is GRANTED. Trial in this matter is continued from October 16, 2006, to the criminal term of court beginning on January 8, 2007, at 10:00 a.m.

DONE this the 4th day of October, 2006.
